****Job Title:** Full Stack Developer**

Professional Summary

Highly motivated Full Stack Developer with 2 years of hands-on experience in building and deploying robust web applications. Proficient in modern web technologies including React.js, Node.js, and Express.js, with a foundational understanding of database design using PostgreSQL or MongoDB. Adept at developing responsive user interfaces, integrating RESTful APIs, and collaborating effectively within cross-functional teams. Eager to contribute to innovative projects at TechNova Solutions by leveraging strong problem-solving skills and a commitment to clean, scalable code.

Technical Skills

JavaScript, TypeScript, React.js, Node.js, Express.js, PostgreSQL, MongoDB, RESTful APIs, Git, GitHub, Responsive Web Design, Tailwind CSS, Problem Solving, Communication

Work Experience

Developer

amazon | 2022 - Present

- Developed and maintained full-stack web applications, contributing to the enhancement of core product features.
- Built and integrated RESTful APIs using Node.js and Express.js, enabling seamless data flow between front-end and back-end systems.
- Designed and optimized database schemas (e.g., PostgreSQL/MongoDB) to support application functionality and ensure data integrity.
- Implemented responsive and user-friendly interfaces using React.js and modern CSS frameworks like Tailwind CSS, improving user experience across devices.
- Collaborated with cross-functional teams to debug, test, and deploy high-quality software solutions, adhering to best development practices.

Education

Bachelor of Science in Computer Science

IBM | 2022
